NEW BUSINESS: Black River Canal Museum (ID#33.006-3-50.2)- Janet Thompson, President of the museum presented the planning board with paperwork for the construction of a pavilion roof over the large boat at the museum. Prior to this date, work commenced on the site and CEO/ZEO Doolittle issued a stop work order until completion of the appropriate paperwork was submitted to his office.

William Amato- Mr. Amato, stated that he would like to purchase two properties on Seiter Street. His vision is to establish a retail space by refurbishing one of the properties and most likely demolishing the other one as it is in such disrepair. Mr. Amato did not want to purchase the property if he wasn't able to set up the retail space. He will contact the planning board in the future with his vision of that space.
